Description

The BALI 4.0 is characterized by a single cockpit / saloon area, entirely flush and unencumbered by bulkheads, accessible via an immense folding glass door on electric rams. So in the blink of an eye you can switch from Cosy mode to Lounge mode, with a panoramic view over sea... A forward cockpit with dining area as well as an immense sunbathing area in place of the traditional trampoline Extra living space wai sunbathing area on the coachroof As with its big brothers, the BALI 4.5 Open Space and the BALI 4.3 Loft, the BALI 4.0 enjoys an extraordinary amount of natural light. The large retractable windows bring an unequalled freshness into the saloon as well as a panoramic view. The many hatches in the hulls ensure exceptional natural ventilation. Its technical equipment will satisfy the most exacting sailors, an then for the most exacting cook, forward is the latest generation fitted galley allowing you to cook with a sea view. With tanks for up to 800 litres of water and 400 litres of diesel, a huge fridge and deep freezer, an outsized battery bank, all controlled using a multiplexing touch screen with integrated tutorial, the latest generation fitted galley and its light weight (8.6 T), the BALI 4.0 will take you further than you ever dreamed possible.
